

## Sample Directory Listings

*NOTE: Some neighborhoods choose to have two versions of a Neighborhood Directory: a public one that gives basic information that neighbors wish to share with one another, and a private one that includes more details. The private directory is made available to city and county emergency responders in the event of an emergency.*

### PUBLIC DIRECTORY LISTINGS

#### Poppy Drive

**2312 John and Emily Smith**

**Ron (13), Allan (11)**

1 dog: Alfie (boxer)
