

Our mission:

To encourage neighbors to connect with one another to build a sense of community, become informed about disaster preparedness and support one another during emergencies.

What we do:

The Burlingame Neighborhood Network (BNN) drives awareness for emergency preparedness within the Burlingame community and provides guidance on how to establish a network at the neighborhood or block level in order to:

- Help build a sense of community
- Enable neighbors to support each other in the event of an emergency or disaster
- Build crime prevention awareness

We are also run an annual citywide emergency response exercise with the support of HAMs, CERTs, Central County Fire Department and the Burlingame Police Department. All Burlingame citizens are invited to participate.

BNN can assist with:

- Ideas for block parties to help neighbors get connected
- Materials and support to establish neighborhood leads and a network at the block level
- Materials to educate neighbors on disaster preparedness
- Support for participation in the annual citywide emergency response exercise

Key resources to help you stay informed:

- **BNN Website:**
Visit www.thebnn.us for information on how to connect with your neighbors and prepare for an emergency
- **BNN Newsletter:**
Sign up on the BNN website for updates on events, classes and meetings
- **BNN Quarterly Meetings:**
Attend our quarterly events to learn where we focus on topics that help you become more informed and prepared
