

SMC ALERT

SMC Alert is a free alert system used during emergency situations in San Mateo County.

You can set alerts to be sent via text and voice message to your:

- Email
- Mobile phones, or tablets
- Landline phones
- Get emergency and non-emergency notifications

<https://www.smcgov.org/ceo/smc-alert>

How it Works

When an urgent incident or emergency occurs, authorized senders can instantly notify you. SMC Alert is your personal connection to real-time updates, instructions on where to go, what to do or not do, who to contact, and other important information.
